
China Livestock Market

Review & Outlook

2003/2004

Table of Contents

CHAPTER ONE

General Development Situation Of Animal Husbandry And Policy Changes In 2003

1.1 Development Situation In 2003

- 1.1.1 Surplus Livestock Products, Fewer Exports
- 1.1.2 2nd Quarter National Livestock Production On Down Slope As SARS
- 1.1.3 The Proportion Changes Of Live Pig, Cattle, Poultry, Egg And So On Keep/Out Of Fence In Major Meat Producing Areas In Previous Half-Year
- 1.1.4 The Production Trend Of National Feed Processing Enterprises Valued At Over Us\$0.6million
- 1.1.5 The Production Trend Of National Meat Processing Enterprises Valued At Over Us\$0.6million
- 1.1.6 Rapid Development Of Ruminant Animals Such As Beef Cattle And Dairy Cattle
- 1.1.7 Inventories Of Hogs And Poultry Shrank In Non Producing Regions
- 1.1.8 Leading Livestock Enterprises Expand
- 1.1.9 The Impact On Livestock Products As The Rising Price Of Feed In The Second Half Of Year
- 1.1.10 The Impact On Domestic Market As Less Livestock Products Exports
- 1.1.11 The Livestock Products Prices On Up Slope Trend In The Whole Nation After September

1.2 Macro Adjustment Policies In 2003

- 1.2.1 Customs Tariffs Readjusted on Certain Livestock Products After WTO Entry
- 1.2.2 Preferential Policies Encouraging Foreign Investments on Processing
- 1.2.3 The layout of non-environmental pollution livestock products appeared by Government
- 1.2.4 10th Five Year Plan for Livestock Products Processing
- 1.2.5 Government Promulgates Relevant Livestock Products Standards
- 1.2.6 Standardization of Domestic Slaughtering Costs Accounting
- 1.2.7 The increased proportion of livestock products in the 2005-2010 layout from Government

CHAPTER TWO

Hog Market Review And Outlook 2003/04

2.1 Hog Production Review 2003

- 2.1.1 Producing Regions Reduce Hog Production Scale
- 2.1.2 Reduction Of Hog Production Scale In Producing Regions
- 2.1.3 The Live Pig Survivors Declined As SARS During Mar.-Jun.
- 2.1.4 Analysis Of Changes Concerning Breeding Pigs And Piglets In Producing Regions
- 2.1.5 Analysis Of Hog Inventory And The Number Slaughtered In Producing Regions
- 2.1.6 Analysis Of Changes Concerning Costs And Profits Of Hog Production In Producing Regions
- 2.1.7 The Live Hogs Distribution Changes As Rising Cost Of Breeding
- 2.1.8 Analysis Of Changes Concerning Hog Prices In The Nation And Producing Regions

2.2 Hog Production Outlook 2004

- 2.2.1 Stable National Inventory And Slaughter
- 2.2.2 More Small-Scale Specialized Households
- 2.2.3 The Breeding Cost Budgetary Estimate Of Live Hog In The Main Producing Regions
- 2.2.4 High Slaughter Rate Of Quality Lean-Pork Hogs

2.3 Forecast Of Hog Market Price In 2004

- 2.3.1 More Transportations From Main Producing Provinces, Larger Price Fluctuations
- 2.3.2 Higher Standard On Pork Quality In Large And Medium Cities
- 2.3.3 The Proportion Of Three-Way Muscled Hogs Increased
- 2.3.4 Pork Price Difference Between Regions To Further Enlarge

2.4 Live Hogs Exports Will Shrink, Cut Pork Will Increase In 2004

- 2.4.1 Less Trade Activities Of The Imported Live Hogs In Hongkong
- 2.4.2 The Exported Products Of Live Hogs Turned To Cut Pork

CHAPTER THREE

Pork Market Review And Outlook 2003/04

3.1 Slower Growth Of Pork Production In The Nation And Producing Regions

- 3.1.1 Lower Growth Of Pork Output In Main Producing Provinces
- 3.1.2 Higher Rates Of Designated Hog Slaughter And Mechanized Slaughter In The Nation
- 3.1.3 Higher Demand On Pork Quality In Large And Medium Cities
- 3.1.4 Less Pork Supply In North China/Northeast/Southwest In The Second Half Of Year

3.2 Variations Of Pork Consumption Volumes In 2003

- 3.2.1 Lower Growth Of Pork Consumption In Large Cities
- 3.2.2 Less Qualified Live Hogs, More Slaughter Pork By Self In Country
- 3.2.2 More Consumption On Quality Cut Meats And Products
- 3.2.4 Stable Pork Consumption In Rural Areas
- 3.2.5 Rise Of Pork Processing And Consumption In Cities

3.3 Pork Market Price Low At First And Higher Later In 2004

- 3.3.1 Analysis Of Transactions In Major Pork Wholesale Markets
- 3.3.2 Price Analysis Of Pork (Boned Pork) In 21 Provinces And Cities

3.4 Analysis Of Imports And Exports Of Pork In 2003

- 3.4.1 Imports Of Side Pork Products Continue To Grow
- 3.4.2 The Impact On China Of Market Pork Decreased In Russia And So On
- 3.4.3 Products Variations Of Pork Exporting Regions

3.5 Forecast Of Pork Outputs In Producing Regions In 2004

- 3.5.1 Gross Commercial Volume Of Hogs To Maintain Low-Speed Growth
- 3.5.2 Improvement Points Of Hog Varieties And Pork Quality
- 3.5.3 Changes Of Transportation Pattern Of Commercial Pork
- 3.5.4 Less National Commercial Pork Stocks

3.6 Estimates On Pork Consumption Volumes In 2004

- 3.6.1 Steady Urban Consumption
- 3.6.2 Rural Consumption Still To Grow
- 3.6.3 Medium Cities Are Main Pork Consuming Places
- 3.6.4 More Consumption Of Processed Pork Products
- 3.6.5 More Meat Joint Ventures, The Production Increased

3.7 Price Trend And Analysis Of Pork In 2004

- 3.7.1 Larger Fluctuations Of Pork Prices
- 3.7.2 Factors Conducive To Pork Price Fluctuations
- 3.7.3 State Readjusts Pork Reserve
- 3.7.4 The Pork Slaughter/Processing Qualities Need To Improve

3.8 Analysis Of Pork Exports In 2004

- 3.8.1 Pork Exports To Increase
- 3.8.2 More Exports Of Ready-Made Meat Products
- 3.8.3 Pork Exports Areas Focus

3.9 Analysis Of Pork Supply And Demand 1996-2004

3.10 Production Situation Of Top 10 Hog Slaughter Enterprises In 2002

- 3.10.1 Henan Shuanghui Industrial Company
- 3.10.2 Shandong Xincheng Jinluo Group Company
- 3.10.3 Nanjing Yurun Group Company
- 3.10.4 Shandong Delisi Group
- 3.10.5 Henan Zhengrong Group
- 3.10.6 Sichuan Chengdu Xiwang Food Ltd. Company
- 3.10.7 Shandong Jiangquan Meat Products Ltd. Company
- 3.10.8 Shandong Longda Enterprise Group Company
- 3.10.9 Jilin Jigang Group
- 3.10.10 Hunan Tangrenshen Group

3.11 The Inventory And Introduction Of Slaughter Enterprises With Annual Slaughter More Than 0.15 Million Hogs In 2003

CHAPTER FOUR

Production And Market Review And Outlook Of Cattle And Beef 2003/04

4.1 Beef Cattle Production Grows In 2003

- 4.1.1 Analysis Of Inventory And Slaughtered Beef Cattle
- 4.1.2 Analysis Of Beef Outputs In The Nation And Producing Regions
- 4.1.3 Analysis Of Production Costs Of Cattle In Producing Regions
- 4.1.4 More Households Engaged In Beef Cattle Fattening
- 4.1.5 More Cattle Farmers, More Commercial Beef Supply

4.3 Gross Output Of Beef Continues To Rise

4.3.1 Concentrated Production Of Commercial Beef

4.3.2 More Production Of Quality Beef

4.2 Analysis Of Beef Price In Nation And Key Cities

4.2.1 Beef Price Variations Of 21 Provinces And Cities

4.2.2 Analysis Of Commercial Beef Prices In Main Consuming Regions

4.4 Analysis Of Beef Consumption Volumes In 2003

4.4.1 Steady Beef Consumption In Rural Areas

4.4.2 Constant Growth Of Beef Consumption In Cities

4.5 Analysis Of Imports And Exports Of Live Cattle And Beef

4.5.1 Analysis Of Live Cattle Exports, Stable Situation

4.5.2 More Exports Of Cut Beef

4.5.3 More Imports Of High-Grade Beef And Cattle Side Products

4.6 Outlook Of Beef Cattle Production 2004

4.6.1 State Continues To Assist Cattle Rearing

4.6.2 More Introductions Of Foreign Quality Beef Cattle Breeds

4.6.3 Steady Growth Of Inventory And Slaughter Of Beef Cattle

4.7 Changing Trend Of Beef Consumption In 2004

4.7.1 Stable Beef Consumption In Rural Areas

4.7.2 Urban Beef Consumption Volumes Continue To Rise

4.8 Stable Beef Price Trend In 2004

4.9 Changes Of Imports And Exports Of Live Cattle And Beef

4.9.1 Small Gross Exports Of Live Cattle And Beef

4.9.2 Continuous Growth Of Imports Of High-Grade Beef And Side Products

4.9.3 Regional Analysis Of High-Grade Beef Imports

4.10 Analysis Of Supply And Demand Of Beef , 1996-2004

4.11 Production Situation Of Largest Cattle Slaughter Enterprises In 2002

4.11.1 Jilin Haoyue Meats Group

4.11.2 Zhongmu Dahua'an Meats Company

4.12 The Enterprises Annual Slaughter Over 10 Thousand Cattle List And Sales

CHAPTER FIVE

Poultry Production, Consumption And Market Review And Outlook 2003/04

5.1 Slowly Increase Of Meat Supply In Major Poultry Producing Areas

5.1.1 The Feed Cost Of Broilers Rising In Non-Producing Areas

5.1.2 Slight Growth Of Poultry Inventory And Slaughter In Main Producing Provinces

5.1.3 New Pattern Of Poultry Rearing And Production

5.1.4 None Grain Producing Regions Reduce Poultry Production

5.1.5 Cost Analysis Of Broiler Production

5.2 Poultry Meat Consumption In 2003

5.2.1 Higher Consumption Of Cut Broiler Products

5.2.2 Certain Growth Of Poultry Meat Consumption In Medium And Small Cities

5.2.3 Chicken Claw/Wing Still Be Sold Well In The Cities

5.2.4 Analysis Of Broiler Production Cost In Nation And Producing Regions

5.3 Poultry And Poultry Meat Prices Remain At Low Level In 2003

5.3.1 Broilers With Great Loss In South China/East China In The First Half Year

5.3.2 The Frozen Broilers Overstocks In North China/Northeast/Southwest In The First Half Year

5.3.2 Price Trend Analysis Of Live Poultry

5.3.4 Price Trend Analysis Of Poultry Meat (Cut Chicken Meat)

5.4 Analysis Of Imports And Exports Of Poultry And Poultry Meat In 2003

5.4.1 The Poultry Meat Exports Were Similar As 2002

5.4.2 Exporting Enterprises Readjust Product Varieties

5.4.3 Price Fluctuations Of Raw Materials Cause Impacts On Poultry Meat Exports

5.4.4 Impacts From Embargos Of Major Importing Regions On Exports Of Poultry Meat

5.4.5 The Impact On Chinese Broilers Market As Korea/Japan Embargo For 3 Months

5.4.6 Impacts From Low-Price Poultry Side Products On Domestic Market

5.4.7 The Impact On Broilers Cost As Main Feed Materials Price Rose

5.5 Forecast Of Poultry And Poultry Meats Production In 2004

5.5.1 Inventory And Slaughter Of Poultry Keep Stable

5.5.2 Changes Of Poultry Breeds

5.5.3 Specialized Poultry Meat Producing Regions To Be Developed

5.5.4 Slaughter Houses Of Broilers To Spur Broiler Rearing

5.5.5 The Broilers Cost Will Increase In 1st -2nd Quarter Of 2004 As The Feed Materials Rose

5.6 Poultry Meat Consumption To Rise In 2004

5.6.1 Slight Growth Of Consumption In Large Cities

5.6.2 Medium And Small Cities Are Main Consuming Places For Poultry Meat

5.6.3 Rural Consumption Remains Steady

5.6.4 The Yellow Feather Broilers Were Sold Well In The Cities

5.7 Poultry And Meat Prices To Keep At Low Level In 2004

5.8 Forecast Of Exports Of Poultry Meat And Live Poultry In 2004

5.8.1 Exports Of Live Poultry Keep Steady Growth

5.8.2 Exports Of Poultry Meats Remain Steady

5.8.3 More Imports Of Poultry Meat And Side Products

5.9 Analysis Of Supply And Demand Of Poultry Meats

5.10 Production Situation Of Largest Poultry Slaughter Enterprises In 2004

5.10.1 Jilin Deda Group

5.10.2 Shandong Zhucheng Foreign Trade Group

5.10.3 Guangdong Wen'S Group

5.10.4 Shanghai Dajiang Group

5.11 The Enterprises Annual Slaughter Over 20 Million Broilers List And Sales (12)

CHAPTER SIX

The Review And Outlook Of Sheep And Mutton Production

6.1 More Commercial Live Sheep In 2003

6.1.1 Analysis Of Inventory And Slaughtered Meat-Type Sheep In Producing Regions

6.1.2 More Production Of Mutton In Producing Regions

- 6.1.3 More Quality Mutton Varieties Imported
- 6.1.4 Production Situation Of Meat-Type Sheep Breeding Bases
- 6.1.5 The Impact On Breeding Sheep Of Return The Grain Plots To Forestry/Grass

6.2 Steady Growth Of Mutton Consumption In 2003

- 6.2.1 Slight Changes Of Proportion Of Rural Mutton Consumption
- 6.2.2 Rapid Consumption Growth Of Mutton In Cities
- 6.2.3 Continuous Consumption Growth Of Mutton In Cities After SARS

6.3 Retail Price Changes Of Mutton In 31 Provinces And Cities

6.4 Imports And Exports Of Mutton And Live Sheep

- 6.4.1 Imports Of Mutton And Products Grew Steadily
- 6.4.2 Stable Growth Of Imports Of Mutton
- 6.4.3 Decline Of Live Sheep Exports
- 6.4.4 Analysis Of Shrinkage Of Mutton Exports

6.5 Production Situation Of Live Sheep In 2004

- 6.5.1 Extension Of Foreign Quality Meat-Type Sheep In Producing Regions
- 6.5.2 Constant Growth Of Inventory And Slaughter
- 6.5.3 Stable Production Of Mutton In 2004
- 6.5.4 Less Mutton Exports In 2004
- 6.5.5 Stable Exports Of Mutton And Live Sheep In 2004

6.6 Analysis Of Supply And Demand Of Mutton

6.7 Production Situation Of Large-Scale Meat-Type Sheep Slaughter Enterprises

6.8 The Enterprises List And Slaughter Quantities Of Annual Slaughter 100 Thousand Sheep(8)

CHAPTER SEVEN

Poultry Eggs

- 7.1 Poultry Eggs Production In Nation And Producing Provinces In 2003
- 7.2 Less Fresh Eggs Supply In The South, More Transported To The North
- 7.3 The Impact Of Flood/SARS In Main Producing Areas
- 7.4 National Trend Of “Transporting Eggs From North To South”
- 7.5 Low-Speed Growth Of Gross Supply Of Poultry Eggs
- 7.6 Analysis Of Production Cost And Profit Of Chicken Eggs In Producing Regions
- 7.7 Analysis Of Poultry Egg Consumption In Cities And Rural Areas
- 7.8 More Quality Poultry Eggs And Processing Volume
- 7.9 More Green Non-Environmental Pollution And Function Eggs Supply
- 7.10 Average Price Analysis Of Chicken Egg In 31 Provinces And Cities
- 7.11 Dwindling Of Exports Of Fresh Eggs**
 - 7.11.1 Rising Egg Prices As Feed Cost Increased
 - 7.11.2 None Grain Producing Regions Reduced Layers Production Scale
- 7.12 Low Growth Of Poultry Eggs Production In 2004**
 - 7.13 Steady Consumption Growth Of Poultry Eggs In 2004
 - 7.14 Stable Market Price Level Of Poultry Eggs In 2004
 - 7.15 Constant Rise Of General Exports Of Poultry Eggs In 2004
 - 7.16 More Production Of Non Pollution Fresh Eggs In 2004

7.17 Production Situation Of Largest Fresh Egg Producers

7.17.1 Dalian Hanwei Group

7.17.2 Hebei Gaocheng Livestock Areas

Appendix

Table 1 , Pork Supply and Demand in 1991-2002

Table 2, Inventories of Breeding Pigs, Piglets and Fattening Pigs in 11 Producing Provinces in February of 2002

Table 2, Inventories of Breeding Pigs, Piglets and Fattening Pigs in 11 Producing Provinces in May of 2002

Table 4, Inventories of Breeding Pigs, Piglets and Fattening Pigs in 11 Producing Provinces in August of 2002

Table 5, Hog Inventories of the Nation and Main Producing Provinces (1990-2002)

Table 6, Hog Production Cost and Benefit of the Nation and Main Producing Provinces (1997-2002)

Table 7, Hog Feed Price and Price Ratios Between Hog/Corn, and Hog/Compound feed of Main Producing Provinces in Each Month of 2002

Table 8, Hog Procurement Prices of the Nation and Main Producing Provinces in Each Month of 2002

Table 9, Slaughtered Number of Hogs in the Nation and Main Producing Provinces (1990-2002)

Table 10 , Hog Exports to Different Countries in Each Month of 2002

Table 11 , Hog Exports to Different Countries (1996-2002)

Table 12, Pork Production in the Nation and Main Producing Provinces (1990-2002)

Table 12 , Pork Consumption Per Capita of Urban Residents in the Nation and in Different Provinces (1990-2002)

Table 14 , Pork Consumption Per Capita of Rural Residents in the Nation and in Different Provinces (1990-2002)

Table 15 , Pork Retail Prices of Key Cities in Both Producing and Consuming Regions in Each Month in 2002

Table 16 , Pork Exports to Different Countries in Each Month of 2002

Table 17, Pork Exports to Different Countries (1996-2002)

Table 18 , Beef Supply and Demand in 1991---2002

Table 19, Inventories of Beef Cattle in the Nation and Main Producing Provinces (1991-2002)

Table 20, Slaughtered Number of Beef Cattle in the Nation and Main Producing Provinces (1991-2002)

Table 21, Beef Production in the Nation and Main Producing Provinces (1991-2002)

Table 22, Beef Consumption Per Capita of Urban Residents in the Nation and Different Provinces (1991-2002)

Table 22, Beef Consumption Per Capita of Rural Residents in the Nation and Different Provinces (1991-2002)

Table 24, Beef Prices of Key Cities in Both Producing and Consuming Regions in Each Month of 2002

Table 25 , Live Cattle Exports to Different Countries in Each Month of 2002

Table 26, Live Cattle Exports to Different Countries (1996-2002)

Table 27, Beef Imports from Different Countries in Each Month of 2002

Table 28 , Beef Exports to Different Countries in Each Month of 2002

Table 29, Beef Imports from Different Countries (1996-2002)

Table 20, Beef Exports to Different Countries (1996-2002)

Table 21, Inventories of Goats and Sheep in the Nation and Main Producing Provinces (1995-2002)

Table 22, Slaughtered Number of Meat-type Sheep in the Nation and Main Producing Provinces (1995-2002)

Table 22, Sheep Meat Production in the Nation and Main Producing Provinces (1995-2002)

- Table 24, Sheep Meat Consumption Per Capita of Urban Residents in the Nation and Different Provinces (1990-2002)
- Table 25, Sheep Meat Consumption Per Capita of Rural Residents in the Nation and Different Provinces (1990-2002)
- Table 26 , Retail Prices of Sheep Meat of Key Cities in Both Producing and Consuming Regions in Each Month of 2002
- Table 27, Sheep Meat Exports to Different Countries in Each Month of 2002
- Table 28 , Sheep Meat Exports to Different Countries (1996-2002)
- Table 29, Live Sheep Exports to Different Countries in Each Month of 2002
- Table 40, Live Sheep Exports to Different Countries (1996-2002)
- Table 41, Poultry Meats Supply and Demand in 1991---2002
- Table 42, Poultry Inventories in the Nation and Main Producing Provinces (1995-2002)
- Table 42, Broiler Feeding Costs in the Nation and Main Producing Provinces (1997-2002)
- Table 44, Price Ratios in Each Month of 2000 Between Broiler/Corn, and Broiler/Compound Feed
- Table 45, Poultry Meats Outputs in the Nation and Main Producing Provinces (1995-2002)
- Table 46 , Poultry Meats Consumption Per Capita of Urban Residents in the Nation and Different Provinces (1990-2002)
- Table 47 , Poultry Meats Consumption Per Capita of Rural Residents in the Nation and Different Provinces (1990-2002)
- Table 48 , Prices of Chick Broilers in the Nation and Main Producing Provinces in Each Month of 2002
- Table 49, Live Chicken Prices in the Nation and Main Producing Provinces in Each Month of 2002
- Table 50 ,Broiler Retail Prices of Key Cities in Both Producing and Consuming Regions in Each Month of 2002
- Table 51 , Broiler Exports to Different Countries in Each Month of 2002
- Table 52 , Poultry Meats Exports in Each Month (1996-2002)
- Table 52 , Live Poultry Exports to Different Countries in Each Month in 2002
- Table 54 , Live Poultry Exports to Different Countries in Each Month (1996-2002)
- Table 55 , Poultry Eggs Production in the Nation and Main Producing Provinces (1996-2002)
- Table 56 , Poultry Eggs Consumption of Urban Residents in the Nation and Different Provinces (1990-2002)
- Table 57 , Poultry Eggs Consumption of Rural Residents in the Nation and Different Provinces (1990-2002)
- Table 58, Chicken Egg Production Costs in the Nation and Main Producing Provinces (1997-2002)
- Table 59 , Price Ratios Between Chicken Egg/Corn, and Chicken Egg/Compound Feed In Each Month of 2002 of Main Producing Provinces
- Table 60, Chicken Egg Prices of the Nation and Main Producing Provinces in Each Month of 2002
- Table 61, Poultry Eggs Exports to Different Countries (Regions) in Each Month of 2002
- Table 62, Poultry Eggs Exports to Different Countries (1996-2002)
